

## Assignment of copyright

The first author (or the corresponding author), with the authorization of all the contributing authors, agrees to transfer to **Revista Internacional de Investigación en Adicciones** (RIIAD) the copyright of the manuscript titled:

for its publication and distribution in all forms and media, if the article is accepted for publication. All authors declare to have an active participation in the study as to assume public responsibility for the reported work, and that all have approved the final version of the manuscript. They also declare that the manuscript submitted to the journal for review is original and that all of the contained information (including: data, tables, figures and photographs) has not been published elsewhere and is not currently under consideration for publication by any other journal; and that its publication will not violate the personal or proprietary rights of any other person or entity
